

CONSTRUCTTOPIA

Roll the dice, build it nice!

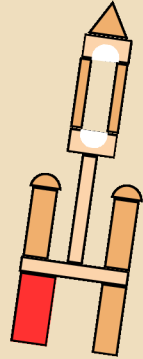

Rules Card

2 dice per player

26 cards

Building blocks

HOW TO PLAY

Roll the Dice : Each player rolls their 2 dice.

Add the Numbers of both dice together.

Pick Your Card : They take the n th card from the deck (where n is the sum of the dice)

Build It! Use the building blocks to create the structure shown on your card.

LEVELS

EASY : Easy structures like cubes, simple towers, and short bridges.

HARD : More challenging structures like arches, tall buildings, and complex shapes.

WINNING

The player who builds their structures the fastest and most accurately wins!

NOTE

These are just basic rules. You can make up your own variations to make the game even more fun!

Enjoy!
